

TEMPORARY EVENT 3-COMPARTMENT DISHWASHING STATION

3 basins or sink compartments set-up

- **First** basin/sink compartment (left-most) for washing - must have dishwashing soap.
- **Second/middle** basin or sink compartment for rinsing - must use clean water.
- **Third** basin/sink compartment (right-most) for sanitizing; e.g., a mixture of water & **50 ppm** minimum to **100 ppm** maximum Chlorine bleach.
- **Test strips** to test sanitizing solution for proper strength.
